Are You Onside?

At Fremont Youth Soccer Club...

We all have a responsibility to ensure that everyone involved in soccer finds it to be a fun, safe and positive experience. As a parent/relative/supporter, please play your part in the development of the youth player and get onside with long term development; show your support for the player, team, and the club by reading and agreeing to the Fremont YSC Members Agreement. By completing registration and the prompt to accept the agreement, you are demonstrating your understanding and willingness to abide by the following:

- Behave and set a positive example by aligning to the Fremont YSC Values and Behaviors.
- Support and motivate all players, including the opposition and encourage my child to do the same. There is to be no coaching from the sideline, and support will be through clapping effort, good play, and sportsmanship.
- Encourage my child to play by the laws of the game and teach them that they can only do their best.
- Never publicly criticize or ridicule my child or another player.
- Not to place my child under pressure or push them into unwanted activities, supporting the process of development rather than the outcome of a game.
- Not to make inappropriate comments about another player, coach, official, spectator or volunteer on any websites or social networking sites which may bring the game into disrepute.
- Not to interfere with the coach's instructions and not to confuse the players by telling them what to do.
- Show appreciation and support for the coach, and respect and not question decisions made by the match officials.
- Behave responsibly, never engaging in or tolerating the use of foul, abusive, or inappropriate words or behavior. All players, parents, and coaches are expected to uphold the values and behaviors of Fremont YSC at all times.
- Stay on the sideline and in no circumstance, do not approach coaches, or match officials during or after a game.
